Launching Youth Ministry Effort – Sunday, Sept. 12

All high school youth are invited to gather for lunch at noon to share ideas for youth ministry at MHUMC. Activities to consider for the year ahead: youth-led worship service, mission trip for next summer, all kinds of service opportunities and what you want to learn or discuss this year. Pizza will be available for lunch; please come dressed to launch water balloons!

Gear up for Rally Day on Sunday, Sept. 19 at 9 a.m!

We will be celebrating a new Sunday School season with fun activities and snacks! Our theme for the year is, "The Promises of God." The preschool through fifth-grade students will be studying the promises of God through Noah, Abraham, The Good Samaritan, The Prodigal Son, Woman with the Alabaster Jar and

more.

We are also teaming up with The Road Home in Madison for our mission project this year. Their mission statement reads: "The Road Home serves homeless families with children in collaboration with local faith communities and organizations. We are committed to the empowerment and long-term success of children and families, to serving each family with dignity and respect and to achieving results in helping families improve their lives. We welcome the entire community, in all its diversity, to participate in the pursuit of safe, affordable housing for all." You can find more information about the The Road Home at <http://www.trhome.org/home.cfm>.

Look for more information about how we will be supporting this wonderful organization in our Sunday School newsletters.

Rally Day is Also Bible Sunday!

It is a great joy to celebrate the United Methodist tradition of giving Bibles to Sunday School students. We will present Bibles to second graders on Sunday, Sept. 19 during the 10:15 worship service. If possible – please confirm your family will be in attendance that day with Christian Education Director Carrie Shelstad.

Sunday School's theme this year is "The Promises of God." Providing God's word and a supportive community to young people is part of the baptismal covenant we have made with them. All of us can help celebrate this on Sept. 19! Older children, youth and adults: *if you still have the first Bible that was presented to you – bring it along to lift up during the service and give thanks that day.*

From Pastor Cherie

Animal Blessing Service 2010

Dear Friends,

Thank you for participating in 'Evenings of Sharing' and all the other get-acquainted events we've shared. You've said how much this faith community means to you – and how relationships with church friends bless your lives. And you've expressed so many hopes for what comes next: developing youth ministry opportunities, caring for the needs of the community around us, sharing the love of God with even more people throughout this area and expanding the building for reaching out in ministry.

You've also expressed many hopes for the ways we will worship God together. You've named a great variety of worship needs, from more participatory, contemporary music "with drums," to quieter, sedate, traditional worship. We're going to take the month of September to reflect on 'the purpose of worship' and how vital worshipping together is as a faith

community. Worshipping God together shapes and forms us as believers. And even within the common purpose of bringing glory to God with worship – we have as many different ways to bring glory to God with our worship as there are different people in our community. In October, we'll find ways to experience difference worship styles together, to discern 2011 worship plans for this faith community. But first, it's vital to prayerfully consider the important reasons we worship God as a community of believers.

Please be sure to offer your presence and prayers to worship God in church throughout the months ahead. God will be with us – and God will lead us through the next steps we take. We can trust that God will take care of the church. I look forward to all the ways we will grow to trust God's lead for the journey ahead.

Blessings,
Cherie

"...He prayeth well who loveth well
Both man and bird and beast.

He prayeth best who loveth best
All things both great and small;
For the dear God who loveth us,
He made and loveth all."

Samuel Taylor Coleridge

*Do not let your hearts be troubled.
Believe in God, believe also in me.
In my Father's house there are many
dwelling places.
If it were not so, would I have told you
that I go to prepare a place for you?
And if I go and prepare a place for you,
I will come again and will take you to
myself,
so that where I am, there you may be
also.
Do not let your hearts be troubled, and
do not let them be afraid.*

Stewardship Moment – September

“That is why I was angry with that generation, and I said, ‘Their hearts are always going astray, and they have not known my ways.’ So I declared on oath in my anger, ‘They shall never enter my rest!’” (Heb 3:10-11).

Technology is supposed to make our ability to accomplish things easier and make us more productive. I love the technology gadgets available to us today. In 20 years, these will seem as old and archaic as the eight-track player. (See, some of you don't know what that is.)

Research reveals that the average person is working much longer hours today because we literally can work from anywhere. Our technology allows us to stay in constant contact with others, which means we are always on call. Unless we intentionally set boundaries, we will never rest from our work.

God got angry with the people of Israel because they did not know His ways. They failed to recognize the boundaries He had set for them that would ensure a spiritual and physically successful life. They chose to disregard His ways. This disobedience led to their inability to enter God's rest.

God's rest means that we can actually do our work and still be

refreshed through His Spirit in our inner man. It is the opposite of sweat and toil. It means that the fruit of our work comes as a result of abiding in the vine of His grace and power. Jesus said you can do nothing (worthwhile) unless you are connected to the vine.

In order to do this you and I must do two things. We must understand His ways and we must do His ways. When we follow these two things, we will begin to experience His supernatural rest in all of our endeavors.”

*Os Hillman**

Are you taking time to rest in God? Are you setting yourself aside to be quiet and hear His voice, to be connected to the vine, to experience His grace? If we are preaching stewardship and never talk about resting in God, we have missed part of our calling. This rest is the wellspring of all that we do.

We wish you rest,
Stewardship Committee
